**REQUEST FOR CONTINUED EXAMINATION IN SUPPORT OF PETITION FOR
REVIVAL OF UNINTENTIONALLY ABANDONED PATENT APPLICATION**

Sir:

An Amendment, and a Petition for Revival and request for entry of the Amendment, was filed on May 6, 2008. As described in the Remarks thereof, the Amendment is expected to put the application in condition for allowance since it cancels all of the claims except those claims indicated in the last Office Action to be allowed or allowable if rewritten to be in independent form including all of the limitations of the base claims and any intervening claims.

It is now further noticed that the last Office Action was a final Office Action. Therefore, there is a remote possibility that, despite the clear indication of allowable subject matter and applicants' intention otherwise, the Amendment may be regarded as being insufficient to place the application into condition for allowance. For this reason, and to avoid even the remote chance that applicants' Amendment may be an insufficient response to the

final Office Action, applicants hereby further submit herewith a Request for Continued Examination (RCE) to permit the entry of the Amendment even if the Amendment is not sufficient to place the application in condition for allowance.

The Commissioner is hereby authorized to charge the RCE fee, and any other fee which may be necessary for the entry or consideration of the Amendment, or to permit the revival of this application, to Deposit Account No. 10-0100 (Dkt. No. NOKIA.33US).

Respectfully Submitted,
